Haaga-Helia

DIPLOMA

Haaga-Helia University of Applied Sciences has awarded

Momin Aldahdouh

the diploma for completing Start Smart –
Upskilling Entrepreneurs with AI
programme 15.4.-13.5.2025.

The Start Smart programme consisted of four modules:
Understanding AI basics, AI for business planning,
Business prompting workshop and AI for business success. Trainings were implemented by Startup Refugees in co-operation with Haaga-Helia.

Helsinki 13.5.2025

Haaga-Helia University of Applied Sciences

Nora Lappalalnen, project manager

This activity was supported as part of UPBEAT, an Interreg Central Baltic Programme 2021- 2027 project co-funded by the European Union.
